

# Contents of Marine Review, Calendar Year, 1924

## INDEX TO VOLUME LIV

**A**

Accidents, how to reduce ship.	Oct.	400
Accidents, record of marine: Jan., 32; Feb., 74; March, 108-9; April 157-8; May 198-9; June, 266-7; July, 302-3; Aug., 344-5; Sept., 369; Oct., 410-11; Nov., 452; Dec., 516.		
Admiral Line installs director of entertainment.	April	130
Alaska coal, new company will haul.	Feb.	57
Alaska, passenger liner, description of.	June	224
Alaska Steamship Co. purchases liner Colon.	April	158
Alexander Hamilton, river steamer, description of.	March	79
Alexander, H. F., passenger liner, carries unusual group of deck officers.	Nov.	430
Alexander, H. F., passenger liner, has two captains.	March	90
Alien seamen, captain must hold.	Oct.	396
American Brass Co., big order for condenser tubes received by.	March	117
American Brass Co., new condenser tube catalog of.	Jan.	27
American commerce, comparison of, with European.	Oct.	393
American Fleets, largest privately owned.	May	168
American Marine association plans spring meeting.	May	197
American Marine congress will meet in November.	Nov.	446
American marine insurance companies, earnings of.	April	127
American Merchant Marine Library association, work of.	April	150
American oil engined ships, average size of in 1914 and 1923.	Jan.	24
American passenger steamers on Pacific, three years record of.	July	287
American plans to help ships meet opposition.	Jan.	21
American rules for diesel engineers.	July	274
American Shipbuilding Co., description of big lake passenger liner built by.	Sept.	376
American Shipbuilding Co., description of motor-driven windlass built by.	July	278
American Shipbuilding Co. launches motorship for Henry Ford.	May	177
American Shipbuilding Co., M. E. Farr resigns as president of.	Oct.	412
American Shipbuilding Co. yard at Lorain damaged in storm.	Aug.	343
American shipping company completes 72 years of service.	Aug.	313
American ships carry less foreign trade.	Jan.	34
American ships get more freight at Penang.	July	294
American ships in Japanese ports.	July	299
American Steel & Wire Co., trial trip of new steamer for.	Oct.	392
American Sugar Refining Co., builds molasses tanker.	April	131
American Sugar Refining Co., development of shipping business of.	April	131
Anahuac, tanker, to be converted to oil electric drive.	Nov.	433
Ancon, freighter, will be converted to carry passengers.	Nov.	449
Aorangi, big motorship, launched.	Aug.	326
Archer, electric driven freighter, sets service record.	June	215
Archer, Leo E., appointed passenger traffic manager of White Star Line.	Oct.	383
Archer, Leo E., photograph of.	Sept.	360
Arctic, little schooner, C. S. Holmes trades in.	Aug.	326
Artic motorship imprisoned in northern ice pack, photograph of.	Oct.	409
Arc welder, develop new portable.	July	298
Arc welding equipment, Westinghouse designs portable.	Nov.	443
Ardenza, steamer, tied up by loss of ship's papers.	March	87
Argentine insurance rates cut.	Feb.	67
Arkell, James, discusses Section 28.	May	167
Armstrong, C. A. G., enters new dry dock company.	May	187
Army engineers design oil type harbor dredge.	July	289
Army transports converted to fast freighters.	May	188
Aschroft Mfg. Co., engine indicators built by.	Aug.	336
Ashes, recalls law against discharging.	June	213
Asiatic Petroleum Co., builds barge to separate oil from ballast.	July	297
Atlantic coast news notes.	Jan.	35
Atlantic coast news notes.	Feb.	75
Atlantic Refining Co., converts tanker to diesel electric drive.	March	103
Aurania, new passenger liner, description of.	Oct.	408
Australia, bids for new cruisers for.	Oct.	408
Australia, sixteen diesel vessels to connect with London.	Mar.	82
Australia uses preferential duties.	May	166
Automatic Electric Heater Co., electric heater built by.	March	109
Automatic steering device used on more ships.	June	214
Automobile ferry on Puget sound.	Jan.	20
Automobile ferry, rebuilds steamer into.	Nov.	428
Automobile ferry, St. Lawrence river type.	Nov.	441
Auxiliaries for a motorship, choosing.	Aug.	321
Auxiliary equipment, electric driven, on motorship Suphenco.	March	115
Auxiliary power, how to select.	Dec.	461
Auxiliary power requirements on board ship.	Dec.	461
Average size of world's diesel ships.	Dec.	470

**B**

Babcock & Wilcox Co., describes boiler water testing outfit.	June	215
Ballast system on lake motorship Henry Ford II.	June	208
Ballast water, build barge to separate oil from.	July	297
Baltimore, foreign trade at.	March	109
Barber line considers motorship fleet.	Sept.	359
Barge built of steel channels, description of.	March	92
Barge built to separate oil from ballast.	July	297
Barge canal, try to reduce claims from.	Feb.	67
Barrington Court, freighter, trial trip of.	Nov.	430
Bassett, Capt. Frederick B., photograph of.	Oct.	402
Bath Iron Works delivers new lightship.	April	133
Battery, storage, how ships use.	July	286
Battleship Colorado sets record on trials.	Aug.	339
Battleships, salvaging hulls of.	Aug.	330
Belgenland, passenger liner, view of.	Feb.	43
Benson Ford, Great Lakes motorship, full description of.	Sept.	365
Benson Ford, Great Lakes motorship, view of.	Oct.	398
Berglund, C. O., made general agent of the Great Lakes Transit Corp. at Detroit.	June	265
Berkshire, coastwise passenger liner, description of.	June	256
Berkshire, passenger liner, new depth finder used on.	Oct.	390
Bessemer Gas Engine Co., diesel engine built by.	Dec.	488
Bethlehem Shipbuilding Corp. contracts to build six fuel oil barges.	March	97
Bethlehem Shipbuilding Corp. develops new diesel engine.	March	100
Bethlehem Shipbuilding Corp. develops new oil engine.	Jan.	24

Bethlehem Shipbuilding Corp., diesel engine built by.	Dec.	480
Bethlehem Shipbuilding Corp. launches oil barge.	May	13
Bethlehem Shipbuilding Corp. may establish Honolulu repair plant.	June	215
Bethlehem Shipbuilding Corp. reopens Harlan plant.	Jan.	14
Bethlehem Shipbuilding Corp., ship repair work of, increases.	April	130
Bethlehem Shipbuilding Corp. will convert tanker to oil electric drive.	Nov.	433
Bienville, passenger liner, description of.	June	250
Bienville, passenger liner, launched.	Aug.	324
Black, A. D., photograph of.	Sept.	371
Black sea, mine hazard in.	Jan.	14
Boardman, John W., lake self-unloader.	Jan.	28
Boardman, John W., self-unloading type bulk cement carrier, description of.	June	236
Boats, life, unique method of carrying on new passenger liner.	April	139
Boilers, safety valves for marine.	July	305
Boiler tubes, 11,000 new, for liner H. F. Alexander.	Feb.	64
Boiler water testing outfit, description of.	June	215
Bolinders Co., description of diesel engine built by.	Dec.	468
Books, how sailors read.	April	150
Boston, passenger liner, description of.	June	230
Boston, passenger liner, views of accident to.	Sept.	364
Boulders cleared from channel by net.	April	136
Brass and copper piping saves money.	Feb.	44
Brass products, how to order.	June	207
Brazil, English yards will bid on battleship for.	July	279
Breeches buoy saves 53 persons.	April	135
Bridgeport Brass Co. issues booklet on condenser tubes.	Aug.	339
Briggs Engineering Co., description of oil burner developed by.	March	89
British collier, trial trip of new.	Nov.	430
British Columbia plans \$15,000,000 expenditure on ports.	April	139
British company formed by Penton Publishing Co. to meet foreign growth.	Aug.	327
British empire exposition, ocean exhibits are featured.	June	211
British fleet, percentage of, idle.	Feb.	41
British freight rates: Jan., 12; Feb., 65; March, 103; April 156; May, 137; June, 214; July, 307; Aug., 327; Sept., 356; Oct., 415; Nov., 447; Dec., 515.		
British give aid to shipbuilding.	Oct.	401
British government loan funds for new ships.	Feb.	44
British lines make pact with Russia.	May	167
British news notes: March, 86; July, 279; Aug., 326; Oct., 403; Nov., 435		
British proportion of world's shipping.	July	236
British requirements for diesel engines.	July	273
British shipbuilding and shipping, upturn in.	July	296
British shipbuilding helped by government.	Oct.	401
British shipowner, leading, tells how to keep ships up-to-date.	Nov.	425
British shipping, five groups control 40 per cent of.	March	82
British shipping more active as new year opens.	Feb.	41
British shipping, quarterly review of: Feb., 41; May, 175; Aug., 325; Nov., 434.		
British shipping, strikes retarded.	May	175
British shipyard launches Great Lakes vessel.	Oct.	409
British shipyards have more work.	Aug.	325
British steel used in Leviathan, tests of.	Aug.	319
Bronze propeller, cast 20-ton.	Feb.	47
Bronze, use of, by Cramp company for marine work.	Feb.	46
Bulkheads for lake vessels.	Feb.	60
Bulkheads for ocean and lake ships.	Feb.	59
Bunker prices: Jan., 12; Feb., 65; March, 103; April, 156; May, 137; June, 214; July, 307; Aug., 327; Sept., 356; Oct., 415; Nov., 447; Dec., 515.		
Bunker shipments, oil and coal, from United States and United Kingdom.	April	135
Bureau of standards develops earth inductor compass.	Nov.	422
Burnside, cable ship, towed to San Francisco for scrapping.	Sept.	355
Burnside, old cable ship, to be scrapped.	July	212
Burtoning method of cargo handling.	Dec.	458
Busch-Sulzer Bros.-Diesel Engine Co., diesel engine built by.	Dec.	496
Business news for the marine trade: Jan., 38; Feb., 78; March, 119; April, 159; May, 200; June, 270; July, 310; Aug., 346; Sept., 380; Oct., 416; Nov., 454.		

**C**

Cable ship Faraday, description of new.	April	143
Cable ship Faraday, history of, old.	April	143
Cable ship, French, for Western Union.	June	216
Cable ship, old will be kept.	Jan.	27
Cables, ocean, history of laying some.	April	143
California has largest carferry.	July	213
California to fight temporary insurance brokers.	April	128
Calumet Lake, new harbor and industrial district planned at.	Oct.	403
Canada has world's largest drydock.	March	90
Canadian Pacific auto ferry.	Jan.	20
Canadian Pacific orders two passenger steamers.	March	86
Canadian Pacific railroad, new passenger steamer for.	Nov.	435
Captain must hold alien seamen.	Oct.	316
Carabobo, passenger liner, description of.	June	238
Care and maintenance of hull, committee studies standards for.	Aug.	341
Care and operation of boilers, committee studies standards for.	Aug.	341
Care and operation of lubrication systems and appliances, and lubricants, committee discusses standards for.	Oct.	403
Carferry, California has largest.	July	293
Cargo and oil tight hatch fittings, committee studies standards for.	Aug.	340
Cargo booms—wood and steel, boom fittings and miscellaneous deck and rigging fittings, committee studies standards for.	Aug.	340
Cargo, how it is handled on shipboard.	Dec.	456
Carr, Harry C., discusses Section 28.	May	164
Catalina, fast liner, description of.	April	139
Catalina, passenger steamer, unusual lifeboat arrangement on.	Sept.	349
Catalogs, new trade: Jan., 38, Feb., 78; April, 160; July, 310; Aug., 346.		
Cement ship to carry passengers.	Nov.	449
Centrifugal compressor, design new single stage.	July	294
Certificates urged as help for shipping.	Nov.	440
Channel cleared of boulders by new type of net.	April	136
Channels, steel, build ships of.	March	92
Channel Steel Barge Co., ships built by.	March	92
Charleston, S. C., shipping board will improve terminals at.	Sept.	364
Chart of ocean depths made with new sounding machine.	Oct.	389

INDEX TO VOLUME LIV—Continued

Chicago industrial district, plan new . . . . .	Oct. 403	Diesel engine built by Busch-Sulzer Bros.-Diesel Engine Co., description of . . . . .	Dec. 496
Chicago, radio station opened at . . . . .	Nov. 441	Diesel engine built by Hooven, Owens, Rentschler Co., description of . . . . .	Dec. 486
Chicago to Detroit, plan express service for . . . . .	Feb. 77	Diesel engine built by Lombard Governor Co., description of . . . . .	Dec. 478
Chilore, ocean bulk freighter, description of . . . . .	June 222	Diesel engine built by McIntosh & Seymour Corp., description of . . . . .	Dec. 482
Chinese junks, queer superstitions of . . . . .	July 306	Diesel engine built by New London Ship & Engine Co., description of . . . . .	Dec. 482
City of Chattanooga, passenger liner, description of . . . . .	June 220	Diesel engine built by Sun Shipbuilding & Dry Dock Co., description of . . . . .	Dec. 482
Clarke, George, completes 25 years as shipyard manager . . . . .	Sept. 360	Diesel engine built by Worthington Pump & Machinery Corp., description of . . . . .	Dec. 464
Coal burners in Panama trade . . . . .	Nov. 447	Diesel engine designed by James Craig Engine Works . . . . .	March 114
Coal burning vessels, chart shows how nations divided ownership of . . . . .	March 88	Diesel engined vessels in merchant marine of eight countries . . . . .	Dec. 466
Coal exports from United States in recent years . . . . .	March 90	Diesel engineers, American requirements for . . . . .	July 273
Coal from Alaska, new company will haul . . . . .	Feb. 57	Diesel engine, largest single acting, orders . . . . .	April 137
Coal, percentage of world's shipping dependent on . . . . .	Nov. 429	Diesel engine, new, designed by Bethlehem Shipbuilding Corp. . . . .	Jan. 24
Coal, testing the fuel value of . . . . .	Sept. 362	Diesel engine, new type of, developed by Bethlehem Shipbuilding Corp. . . . .	March 100
Coastwise business, how it is obtained against rail competition . . . . .	Aug. 315	Diesel engine, opposed piston type, used on Great Lakes motorships . . . . .	Dec. 277
Coastwise law, American, foreigners oppose . . . . .	Aug. 312	Diesel engines, advantages of, for marine service . . . . .	Dec. 514
Coastwise Transportation Corp., use counter propeller on freighter Norfolk . . . . .	July 222	Diesel engines, American built, comparative characteristics of . . . . .	Dec. 503
Colby Steel & Engineering Co., storm wrecks crane built by . . . . .	July 281	Diesel engines, American built, general characteristics of . . . . .	Dec. 503
Collingwood Shipbuilding Co., view of launching at shipyard of . . . . .	Sept. 359	Diesel engines, how they affect power and heat problems on ship . . . . .	Dec. 461
Collingwood Shipbuilding Co., will build lake freighter . . . . .	March 113	Diesel engines, percentage of world's shipping using . . . . .	Nov. 430
Colon, passenger liner, purchased by Alaska Steamship Co. . . . .	April 158	Diesel engines, progress in use of, by leading nations . . . . .	July 272
Colorado, battleship, sets record on trials . . . . .	Aug. 339	Diesel engines, United States has lagged in use of . . . . .	Dec. 466
Columbia river port, Longview, growth of . . . . .	Jan. 15	Diesel engines vs. turbines on Hog Island ships . . . . .	April 119
Compagnie Generale Transatlantique, annual mileage of steamers of . . . . .	April 156	Diesel engines, why America was slow to use . . . . .	Dec. 466
Compagnie Generale Transatlantique plans to build big liner . . . . .	April 156	Diesel engine, test new double acting type of . . . . .	Oct. 390
Compass, earth inductor type, found useful at sea . . . . .	Nov. 422	Diesel engine, Worthington company develops new design of . . . . .	Sept. 374
Competition brings hazards to marine insurance business . . . . .	Feb. 67	Diesel passenger liner, first, on Atlantic . . . . .	March 95
Compressor, design new single stage centrifugal . . . . .	July 294	Diesel tug cuts \$22,000 off annual expenses . . . . .	Nov. 437
Condenser tube facts told in new booklet . . . . .	Aug. 339	Diesel vessels, chart show how nations divide ownership of . . . . .	March 88
Condenser tube ferrules, committee studies standards for . . . . .	Aug. 341	Diesel vessels of United States arranged in order of gross tonnage . . . . .	Dec. 514
Condenser tubes, big order for . . . . .	March 117	Diesel vessels of world, average size of . . . . .	Dec. 470
Condenser tubes ordered for Argentine warships . . . . .	Nov. 447	Diesel vessels, sixteen to connect Australia and London . . . . .	March 82
Condenser tubes, specifications on . . . . .	Jan. 27	Diesel yacht Vanadis, description of . . . . .	July 288
Consolidated Safety Valve Co., description of valves built by . . . . .	July 305	Distinctive ships built in American yards . . . . .	June 217-264
Control by electricity, flexibility of . . . . .	Dec. 511	Dixiano, molasses tanker, description of . . . . .	April 131
Control, electrical, for winches . . . . .	March 98	Dockendorff, J. E., discusses Section 28 . . . . .	May 167
Conveyor of special type handles sugar . . . . .	Nov. 442	Dock, graving, one of world's largest, building at Durban, South Africa . . . . .	Jan. 14
Conveyor, truck type, reduces cargo handling time . . . . .	April 129	Dock, large new, to be built at Glasgow . . . . .	March 86
Cook, C. W., president American-Hawaiian S. S. Co., develops plan to solve ship problem . . . . .	Oct. 381	Docks being built at new Pacific port . . . . .	Jan. 15
Coolers and heaters, oil, how they are used . . . . .	Sept. 353	Dolius, motorship, fitted with Scott-Still engine . . . . .	March 83
Coolidge, President, checks government ownership policies . . . . .	Feb. 40	Dollar, Capt. Robert, photograph of . . . . .	May 195
Coolidge, President, keeps ship policy hidden . . . . .	Feb. 39	Dollar, Capt. Robert, starts big liners in round the world service . . . . .	Jan. 27
Coolidge, President, views of, on government competition with private business . . . . .	Nov. 417	Dollar Line, freighters used in round the world service of . . . . .	April 158
Copper and brass piping saves money . . . . .	Feb. 44	Dollar line, result of first six months in round the world trade . . . . .	Sept. 356
Cordero, J. R., discusses Section 28 . . . . .	May 167	Dollar passenger liners, original names of . . . . .	March 94
Corrosion of steel plates of Leviathan, tests of . . . . .	Aug. 319	Dollar, Robert, Co., buys German sailing ships . . . . .	April 135
Cory, Chas., & Son, Inc., installs communicating systems on Ford ships . . . . .	Oct. 413	Dollar, R. Stanley, photograph of . . . . .	May 194
Cost lowered by testing value of fuel oil . . . . .	Sept. 362	Dollar, R. Stanley, pleased with trade on round the world line . . . . .	Sept. 356
Cost of building ships, percentage of increase in . . . . .	March 86	Donora, new river steamer, trial trip of . . . . .	Oct. 392
Cost of converting Hog Island steamer to motorship . . . . .	April 123	Doxford diesel engine, description of, on Great Lakes motorship . . . . .	July 277
Cost of diesel engines, Panama canal bids show range in . . . . .	Sept. 347	Draft, induced, develops new system of . . . . .	Nov. 422
Cost of diesel engines, urges better method of comparing . . . . .	Oct. 386	Dredges, new type, for Great Lakes service . . . . .	March 93
Cost of fuel on turbine driven intercoastal freighter . . . . .	Oct. 384	Drydock engineers form new company . . . . .	May 187
Cost of operation 70 to 90% due to higher building costs . . . . .	May 164	Drydock, engineers improve floating . . . . .	Oct. 404
Costs cut by fixing fuel standards . . . . .	Jan. 17	Drydock, world's largest, in Canada . . . . .	March 90
Cotton clauses changed in London marine insurance policies . . . . .	May 187	Dubuque Boiler & Iron Works will build ferry . . . . .	April 135
Couby, Harry, career of . . . . .	Feb. 64	Duilio, Italian liner, photographs of . . . . .	Jan. 29
Couby, Harry, resigns as head of Steel Corp. fleet . . . . .	Feb. 63		
Counter propeller, description of . . . . .	Aug. 324		
Counter propeller, test value of . . . . .	July 292		
Coupling, flexible, for marine auxiliaries . . . . .	April 147		
Cox & Stevens design new yacht . . . . .	July 288		
Craig, James, Engine Works, diesel engine designed and built by . . . . .	March 114		
Cramp shipyard, converts Hog Island steamer to motorship . . . . .	April 119		
Cramp shipyard, delivers scout cruiser Trenton . . . . .	May 193		
Cramp shipyard, George Clarke, completes 25 years as manager of . . . . .	Sept. 360		
Cramp shipyard wins propeller order . . . . .	Feb. 46		
Crane, tractor, new 10-ton crawling . . . . .	July 294		
Cunard Line, puts emphasis on speed . . . . .	June 202		
Cunard organization, tonnage of shipping in . . . . .	March 82		
Cyrus Field, cable ship, description of . . . . .	June 216		

D

Davits, unusual operating test of . . . . .	Sept. 350
Deck cargoes, rules for dealing with . . . . .	July 280
Delayed arrival, new insurance policy covers . . . . .	April 128
Dellwood, cable ship, completes second trip . . . . .	Nov. 451
Denmark builds up its merchant fleet . . . . .	Nov. 436
Depth finder, new type of . . . . .	Nov. 431
Depth finder, new type of . . . . .	Oct. 387
Depth of ports, probable growth of . . . . .	Feb. 49
Deserters from British ships are problem . . . . .	Feb. 42
Design of ships, influence of owner, builder and trade on . . . . .	Nov. 426
Detroit & Cleveland Navigation Co., description of new passenger liner for . . . . .	Sept. 376
Detroit & Cleveland Navigation Co. passenger liners use new type of sounding machine . . . . .	Nov. 431
Detroit & Cleveland Navigation Co. plans express service . . . . .	Feb. 77
Detroit to Chicago, plan express service for . . . . .	Feb. 77
Dickenson, cable supply ship, description of . . . . .	June 252
Diesel auxiliaries cut operating costs . . . . .	Nov. 430
Diesel conversion plans, shipping board announces . . . . .	Aug. 311
Diesel costs, Panama canal bids show range in . . . . .	Sept. 347
Diesel driven vessel, choosing auxiliaries for . . . . .	Aug. 321
Diesel electric barge, J. H. Senior, delivered . . . . .	April 158
Diesel-electric drive, arguments for and against . . . . .	Jan. 6
Diesel-electric drive for lake . . . . .	Jan. 1
Diesel-electric dredge for lake use . . . . .	April 126
Diesel electric equipment, photographs of some uses of . . . . .	Dec. 475, 494
Diesel electric propulsion, first successful installation of . . . . .	Dec. 512
Diesel electric, special section of Marine Review . . . . .	Dec. 463
Diesel-electric tug built by Pennsylvania railroad . . . . .	Sept. 354
Diesel engine, advantages of, for transatlantic liners . . . . .	March 95
Diesel engine, bids, expert analyses . . . . .	Dec. 502
Diesel engine built by Bessemer Gas Engine Co., description of . . . . .	Dec. 488
Diesel engine built by Bethlehem Shipbuilding Corp., description of . . . . .	Dec. 480
Diesel engine built by Bolinders Co., description of . . . . .	Dec. 468

Diesel engine built by Busch-Sulzer Bros.-Diesel Engine Co., description of . . . . .	Dec. 496
Diesel engine built by Hooven, Owens, Rentschler Co., description of . . . . .	Dec. 486
Diesel engine built by Lombard Governor Co., description of . . . . .	Dec. 478
Diesel engine built by McIntosh & Seymour Corp., description of . . . . .	Dec. 482
Diesel engine built by New London Ship & Engine Co., description of . . . . .	Dec. 482
Diesel engine built by Sun Shipbuilding & Dry Dock Co., description of . . . . .	Dec. 482
Diesel engine built by Worthington Pump & Machinery Corp., description of . . . . .	Dec. 464
Diesel engine designed by James Craig Engine Works . . . . .	March 114
Diesel engined vessels in merchant marine of eight countries . . . . .	Dec. 466
Diesel engineers, American requirements for . . . . .	July 273
Diesel engine, largest single acting, orders . . . . .	April 137
Diesel engine, new, designed by Bethlehem Shipbuilding Corp. . . . .	Jan. 24
Diesel engine, new type of, developed by Bethlehem Shipbuilding Corp. . . . .	March 100
Diesel engine, opposed piston type, used on Great Lakes motorships . . . . .	Dec. 277
Diesel engines, advantages of, for marine service . . . . .	Dec. 514
Diesel engines, American built, comparative characteristics of . . . . .	Dec. 503
Diesel engines, American built, general characteristics of . . . . .	Dec. 503
Diesel engines, Hooven, Owens, Rentschler Co., begins to build . . . . .	June 203
Diesel engines, how they affect power and heat problems on ship . . . . .	Dec. 461
Diesel engines, percentage of world's shipping using . . . . .	Nov. 430
Diesel engines, progress in use of, by leading nations . . . . .	July 272
Diesel engines, United States has lagged in use of . . . . .	Dec. 466
Diesel engines vs. turbines on Hog Island ships . . . . .	April 119
Diesel engines, why America was slow to use . . . . .	Dec. 466
Diesel engine, test new double acting type of . . . . .	Oct. 390
Diesel engine, Worthington company develops new design of . . . . .	Sept. 374
Diesel passenger liner, first, on Atlantic . . . . .	March 95
Diesel tug cuts \$22,000 off annual expenses . . . . .	Nov. 437
Diesel vessels, chart show how nations divide ownership of . . . . .	March 88
Diesel vessels of United States arranged in order of gross tonnage . . . . .	Dec. 514
Diesel vessels of world, average size of . . . . .	Dec. 470
Diesel vessels, sixteen to connect Australia and London . . . . .	March 82
Diesel yacht Vanadis, description of . . . . .	July 288
Distinctive ships built in American yards . . . . .	June 217-264
Dixiano, molasses tanker, description of . . . . .	April 131
Dockendorff, J. E., discusses Section 28 . . . . .	May 167
Dock, graving, one of world's largest, building at Durban, South Africa . . . . .	Jan. 14
Dock, large new, to be built at Glasgow . . . . .	March 86
Docks being built at new Pacific port . . . . .	Jan. 15
Dolius, motorship, fitted with Scott-Still engine . . . . .	March 83
Dollar, Capt. Robert, photograph of . . . . .	May 195
Dollar, Capt. Robert, starts big liners in round the world service . . . . .	Jan. 27
Dollar Line, freighters used in round the world service of . . . . .	April 158
Dollar line, result of first six months in round the world trade . . . . .	Sept. 356
Dollar passenger liners, original names of . . . . .	March 94
Dollar, Robert, Co., buys German sailing ships . . . . .	April 135
Dollar, R. Stanley, photograph of . . . . .	May 194
Dollar, R. Stanley, pleased with trade on round the world line . . . . .	Sept. 356
Donora, new river steamer, trial trip of . . . . .	Oct. 392
Doxford diesel engine, description of, on Great Lakes motorship . . . . .	July 277
Draft, induced, develops new system of . . . . .	Nov. 422
Dredges, new type, for Great Lakes service . . . . .	March 93
Drydock engineers form new company . . . . .	May 187
Drydock, engineers improve floating . . . . .	Oct. 404
Drydock, world's largest, in Canada . . . . .	March 90
Dubuque Boiler & Iron Works will build ferry . . . . .	April 135
Duilio, Italian liner, photographs of . . . . .	Jan. 29

E

East river, design of oil type harbor dredge used in . . . . .	July 289
Edwards Co., Inc., O. M., designs sash control . . . . .	Feb. 45
Electrical control for winches . . . . .	March 98
Electrical equipment, increasing use of, for ship service . . . . .	Dec. 501
Electrical equipment, marine service is severe test of . . . . .	March 98
Electric auxiliaries, advantages of, for marine service . . . . .	Dec. 514
Electric auxiliaries on motorship . . . . .	Aug. 321
Electric communicating systems for Ford ships . . . . .	Oct. 412
Electric-diesel dredge for lake use . . . . .	April 126
Electric-diesel drive for lake-canal motorship . . . . .	Jan. 1
Electric-diesel driven tanker, J. H. Senior, description of . . . . .	May 168
Electric-diesel equipment, photographs of some uses of . . . . .	Dec. 475, 494
Electric-diesel propulsion, first successful installation of . . . . .	Dec. 512
Electric-diesel special section of Marine Review . . . . .	Dec. 463
Electric-diesel tug built by Pennsylvania railroad . . . . .	Sept. 354
Electric drive, first applications of, in this country . . . . .	Jan. 1
Electric drive for windlasses, advantages of . . . . .	Dec. 511
Electric driven ship sets service record . . . . .	June 215
Electric driven winches for motorships . . . . .	March 97
Electric drive, reasons for choosing on Standard Oil tanker J. H. Senior . . . . .	May 172
Electric equipment, first installation on ships . . . . .	Dec. 501
Electric equipment for power and heat on ships . . . . .	Dec. 461
Electric equipment, why special, was developed for marine service . . . . .	Dec. 501
Electricity aboard ship, use of . . . . .	Dec. 511
Electricity, find more uses for . . . . .	Dec. 501
Electricity used to heat water on motorship . . . . .	March 109
Electricity used to launch lake motorship . . . . .	May 179
Electric lift trucks at San Francisco handle sugar . . . . .	June 216
Electric oil drive, convert tanker to . . . . .	Nov. 433
Electric oil drive for tanker J. W. Van Dyke . . . . .	Nov. 443
Electric water heaters, how to estimate necessary size of . . . . .	Dec. 462
Electric winches, care and use of . . . . .	Dec. 456
Electric winches, correct design of . . . . .	March 97
Electric winches on motorship Seekonk . . . . .	Dec. 508
Ellerman, Sir J. R., tonnage of shipping controlled by . . . . .	March 82
Emma Alexander, liner, unusual accident to . . . . .	March 87
Engineer, marine, practical ideas for . . . . .	July 273
Engineers, diesel, American requirements for . . . . .	Oct. 404
Engineers improve floating drydock . . . . .	July 275
Engineers' licenses, American and British qualifications for . . . . .	July 275
Engineers, marine, and naval architects, plan interesting program . . . . .	Nov. 436
Engineers, student, shipping board aids training of . . . . .	Oct. 403
Engineers, training for service on motorships . . . . .	July 271
Engine indicators, proper use of . . . . .	Aug. 336
Engstrand, Gunnar C., enters new drydock company . . . . .	May 187
Ericsson, Capt. John, tablet unveiled to . . . . .	Sept. 364
